

Cherry Valley & Rochdale Water District

Mandatory Water Use Restrictions

Level 1 Mild Drought

The following restrictions are required to remain in place throughout the duration of the drought condition declared by the Secretary of the Executive Office of Energy and Environmental Affairs (EEA).

All nonessential outdoor water use is not allowed between 9 a.m. to 5 p.m. Nonessential water use includes irrigation of lawns by sprinklers and automatic sprinkler systems, washing of vehicles and washing of exterior building surfaces, parking lots and driveways. Use of handheld hoses for plants and gardens is allowed.

Under the District's Rules and Regulations, failure to comply with this mandatory restriction will first result in a written warning. Subsequent violations can result in fines, discontinuances of water service with a termination and restoration fee.
